Met Office Aberdeen Meteorologist's View
Note the low summit temperatures.

Forecast for Thursday 15 Sep 2022

Weather: Dry overnight and morning with clear or sunny periods. Then scattered showers developing in the afternoon, possibly on the heavy side but these will be brief and some will stay dry. On the highest summits the showers will fall as sleet or snow but not expected to settle.

Maximum wind: North or northwest 25 gusts 35mph.

Chance of cloud-free hill tops above 800m: 80%

Low cloud and visibility: Cloud mostly above tops and visibility very good, but in any heavier showers, patchy cloud to 900m and briefly moderate or poor visibility. The Plateau may see some summit cloud even outside showers.

Temperature: **Glens:** Plus 3 around dawn rising to Plus 14 in the afternoon.
At 800m: Plus 5 Celsius falling to Plus 3 in the evening.
Freezing level: Above the summits falling to 1000m in the evening.
